INDEX-DIGEST

A

ADMINISTRATIVE AGENCIES
Civil service
The structure of the bureaucracy 1554–59
Congressional control
Legislative veto 206–16
In general
Avoiding the pitfalls of civic republican theories of agency decisionmaking 1562–77
Regulation of business 1130–34
Theoretical justifications for the administrative state 1516–28
Judicial control
Standards of review for agency actions 1543–50

ADMINISTRATIVE LAW
Administrative expertise
Duty of agencies to inject certainty and expertise into law 1996–98
Review of Rose-Ackerman: Rethinking the progressive agenda 1402–07
Agency discretion
Regulatory prohibition of abortion counselling and referral 389–99
Economic regulation
Damage assessment regulations under CERCLA and OPA 1983–98
Powers of agencies
Prohibition of abortion counselling and referral 389–99
Separation of powers
Legislative veto 206–16

ANTITRUST LAWS
Sherman Act
NCAA amateurism bylaws as violative of section 1 1299–1318

ATTORNEYS
Attorney-client relationship
Discrete versus relational criminal representation 673–86
Attorney's fees
Forfeiture in criminal cases 703–17
Conflict of interest
Codefendants 687–97
Legal ethics
Conflicts of interest 687–97
Right to counsel
Conflicts of interest 687–97

B

BIOGRAPHY
Particular Persons
Erwin Griswold 1386–1401

C

CHILDREN
Child abuse
Thirteenth Amendment analysis of child abuse 1359–85
Education
Single-sex schools: Equal protection analysis 1741–60

In general
Latino family structure 1321–25
Tax subsidies 1319–21; 1326–38

CHOICE OF LAW
In general
Due process limits 1239–44
Fifth Amendment due process limits on federal extraterritoriality 1217–63
History of extraterritoriality doctrine and theory 1224–28

CIVIL RIGHTS
Age discrimination
Mandatory retirement of tenured faculty under the ADEA 889–907
Civil rights movement
Justice Marshall's role in 51–53, 58–62
Employment discrimination
Age discrimination against tenured faculty 889–907
Legal regime excludes the reality of women's experience 2104–09
In general
History of NAACP 35–42
Justice Marshall's contributions to 42–49
Racial discrimination
Due Process rights violated by systematic exclusion of blacks from grand and petit juries 30
History of racism in American society 56–58
Justice Marshall's personal experiences in 1940s 33–35
Los Angeles Police beating of Rodney King 33–34
Rights and remedies
Prisoners required to have access to law libraries or legal assistance 30
School desegregation
Effects of judicial decisions on school desegregation 1136–40
Termination of decree 266–77
Sex discrimination
Fetal protection policies and Title VII 379–89
Single-sex schools: Equal protection analysis 1741–60
Women's experience in employment and the inadequacy of Civil Rights Law 2104–09

CIVIL RIGHTS ACTS
Title VII of the Civil Rights Act of 1964
Fetal protection policies as sex discrimination 379–89
Title VII as failing to address the reality of women's experience 2104—09

COLLEGES AND UNIVERSITIES
Diversity
Contribution of age balance to diversity among faculty 897–903
Intercollegiate sports
NCAA amateurism bylaws as violative of section 1 of the Sherman Act 1299–1318
Tenure
Mandatory retirement as integral to the tenure system 889–907

COMMON LAW
Federal common law
Statute of limitations inferred 404–07

CONGRESS
In general
Framers' view of 926
Separation of powers
Legislative veto 206–16

CONSTITUTIONAL LAW
Abortion
Agency discretion to prohibit abortion counselling and referral 389–99
No possible means of compromising on the abortion question because both sides bring radically different visions of the problem to the battle 1120–22
Adoption and amendment of the Constitution
Constitutional creation as the most democratic politics 918–34
Advisory opinions
Relationship between mootness doctrine and Article III's prohibition of advisory opinions 643–51
Article III
History and tradition of Article III 637–41
Meaning of the "cases" and "controversies" clause 636–43
Confrontation clause
Right to confrontation under Federal Sentencing Guidelines 1887–91

Criminal procedure
Judicial determination of probable cause 187–96
Cruel and Unusual Punishments Clause
"Deliberate indifference" standard 237–40
Delegation doctrine
Agency discretion to prohibit abortion counselling and referral 389–99
Due process of law
Fifth Amendment due process limits on extraterritorial application of federal law 1217–63
Procedural due process in awarding punitive damages 216–26
Eighth Amendment
Meaning of "punishment" 237–45
Prison conditions 235–45
Elections
Right of nonprofit corporations to engage in political speech 1656–77
Equal protection of the laws
Distributive justice analysis of affirmative action 1801–06
Justice Marshall's theory of 69–70
Racially discriminatory use of peremptory challenges 255–66
Single-sex schools: Equal protection analysis 1741–60
Establishment of religion
Municipal seals displaying latin crosses violate the Establishment Clause 591–96
Fifth Amendment
Metaphorical reductionism and misinterpreting of Fifth Amendment 766–69
First Amendment
First Amendment bars imposing products liability on book publisher 1149–52
Justice Marshall's decisions regarding 27–28
Public choice theory and the First Amendment 555–83
Right of nonprofit corporations to engage in political speech 1656–77
Fourteenth Amendment
Termination of public school desegregation decree 266–77
Fourth Amendment
Property interests protected by 28–29
Freedoms of assembly, association, speech, and press
First Amendment protection of nude dancing 287–97
Public choice theory and freedom of speech 554–83
History
Founding, Reconstruction and New Deal as higher lawmaking 420–28
In general
Comparison of Thirteenth and Fourteenth Amendments 1359–85
Grand theory of judicial review focusing on antidiscrimination and constitutional accountability 80–151
Justice Marshall's opinion concerning 24–33
Legislative powers
Agency discretion to prohibit abortion counselling and referral 389–99
Review of Rose-Ackerman: Rethinking the progressive agenda 1402–07
Mootness
Deconstitutionalizing mootness 612–68
The elusive concept of "personal stake" 623–25
Mootness as a purely prudential doctrine 654–68
Origins of mootness doctrine 610–12
A "Public Values" model for mootness jurisprudence 631–36
Removing Article III from mootness jurisprudence 636–68
Right to counsel
Discrete versus relational representation 673–86
Separation of powers
Legislative veto 206–16
Maintaining legislative-judicial colloquy in restricting federal court jurisdiction 615–23
Presumption in favor of congressional control of federal court jurisdiction 612–15
Sixth Amendment
Right to criminal counsel 673–86
Right to confrontation under Federal Sentencing Guidelines 1887–91
State Action
Use of peremptory challenges by private civil litigant as constituting state action 259–66
Theories of Adjudication
Grand theory of judicial review focusing on antidiscrimination and constitutional accountability 80–151
Statutory construction to avoid constitutional questions 394–99
Thirteenth Amendment
Thirteenth Amendment analysis of child abuse 1359–85

COPYRIGHT
Fair use
Illicit use of music samples should not be considered "fair use" of copyrighted material 736–39
Infringement
Unauthorized use of copyrighted musical works for "samples" is actionable copyright infringement 730–36
Infringement (subject matter)
Compulsory licensing provision does not permit unauthorized duplication of protected sound recordings 732–33
Subjects (musical compositions)
Illicit use of musical compositions for samples should be considered actionable copyright infringement 732–34
Subjects (sound recordings)
Substantial similarity criterion should be applied to find actionable infringement in even short "samples" drawn from sound recordings 734–36

CORPORATIONS
Conflict of interest
Competition between states for corporate charters produces inefficient results with respect to conflict of interest transactions by managers 1458–95
Derivative suits
Discovery in federal demand-refused derivative litigation 1025–44
Federalism
State versus federal control of corporate law issues 1435–1510
In general
Competition between states for corporate charters 1435–1510
Nonprofit
Charitable immunity's development 1679–82
Fiduciary duties of the directors 1590–1612
Regulatory advantages 1677–79, 1696–98
Right of nonprofit corporations to engage in political speech 1656–77
Standing to sue directors for fiduciary duty breaches 1594–98
Tort advantages in state laws 1682–89
Self-dealing
Competition between states for corporate charters produces inefficient corporate law rules with respect to self-dealing transactions 1458–67
Taxation
Noninurement requirement of § 501(c)(3) 1598
Taxation of private foundations 1599
Trustee theory
Fiduciary duties of trustees; duty of loyalty 1603

COURTS
In general
Need for access to court system 74
Relation to legislature and executive branches
Powers of courts in the absence of action from other branches 1135–40
Role of courts is to preserve higher law-making by the people 927–34
Supreme Court
Supreme Court's capacity to effect social change 1135–40

CRIMINAL LAW
Bail
Potentially unlimited detention for future dangerousness criticized as violating protection against excessive bail and presumption of innocence 29–30
Habeas corpus
Abuse of the writ: "cause and prejudice" applied to filing of subsequent federal petition 319–29
Petition requirement for stay of execution 1807–12
Right to counsel
Discrete versus relational representation 673–86
Investigative contact with represented individuals 697–700
Right to remain silent
Metaphorical reductionism and misinterpretation of Fifth Amendment 766–69
Sentencing
Right to confrontation under Federal Sentencing Guidelines 1880–99
Statutory offenses
Extraterritorial application of federal anti-terrorism laws 1249–54
Extraterritorial application of federal drug laws 1254–56

D

DAMAGES
In general
Economic effects of allowing uncertain damages 1990–93
Fines on directors of nonprofit corporations 1607–11
Procedural due process in awarding punitive damages 216–26

DIVORCE LAW
In general
Divorce reform of property distribution and child custody 1761–80

DUE PROCESS OF LAW
Aliens
Fifth Amendment due process limits on federal extraterritoriality 1217–63
Criminal prosecutions
Report to confrontation under Federal Sentencing Guidelines 1892–98
Judicial review
Review of Rose-Ackerman: Rethinking the progressive agenda 1402–07
Justiciability
Rebutting the due process defense of justiciability doctrines 651–54
Procedural due process
Procedural due process in awarding punitive damages 216–26
Right to confrontation under Federal Sentencing Guidelines 1892–98
Requirement of hearing
Due process rights under CERCLA 1420–25
Substantive due process
Review of Rose-Ackerman: Rethinking the progressive agenda 1402–07
Right to die and physician-assisted suicide 2021–40
Substantive due process and state obligation to protect abused children 1360–63

E

ECONOMICS
Corporate and business economics
Deterring fiduciary duty breaches by fining corporate directors 1607–11

EDUCATION
Equal Protection of the laws
Single-sex schools: constitutional and statutory analysis 1741–60
Racial discrimination
Termination of public school desegregation decree 266–77

EIGHTH AMENDMENT
Cruel and Unusual Punishment Clause
Exclusion of negligently caused prison conditions from definition of "punishment" 237–45

ELECTIONS
Campaign regulations
Restrictions on political speech and campaign contributions by nonprofit corporations 1656–77
Voting
Need for broad access 74–75

EMPLOYMENT DISCRIMINATION
Age Discrimination in Employment Act
Mandatory retirement of tenured faculty 889–907
Civil Rights Acts
Fetal protection policies and Title VII 379–89
Legal regime fails to address reality of women's experiences 2104–09

ENVIRONMENTAL LAW
Hazardous waste disposal
Due process rights under CERCLA 1420–25
In general
Contingent valuation of natural resource damages 1981–2000
Implementation and enforcement of Federal Water Pollution Control Act Amendments of 1972 1130–34

EQUAL PROTECTION OF THE LAWS
Affirmative action
Distributive justice analysis of affirmative action 1801–06
Education
Termination of public school desegregation decree 266–77
Equal Protection theory
Distributive justice analysis of affirmative action 1801–06
Judicial enforcement of the constitutional anti-discrimination principle 91–103
Peremptory challenges
Racially discriminatory use of peremptory challenges 255–66
Racial discrimination
Distributive justice analysis of affirmative action 1801–06
Termination of public school desegregation decree 266–77
Sex-based discrimination
Affirmative change necessary to achieve gender equality 2104–09

EVIDENCE
Expert testimony
Causation 935–40
Scientific evidence in toxic tort cases 791–96
Hearsay
Right to confrontation under Federal Sentencing Guidelines 1880–99

F

FAMILY AND DOMESTIC RELATIONS LAW
Family autonomy
Right of family to terminate treatment of patient in persistent vegetative state 1426–31
In general
Formal versus functional approaches to the legal definition of family 941–46
Reform efforts
Divorce reform of property distribution and child custody 1761–79

FEDERAL COURTS
In general
Application of new rules in civil cases 339–49
Federal common law
Inferring statute of limitations 404–08
State borrowing rule and inferred statutes of limitations 399–409
Procedure
Abuse of the writ: "cause and prejudice" applied to filing of subsequent federal habeas petition 310–29
Review by the Supreme Court
Certiorari decisionmaking process 1795–1800

FEDERALISM
Corporate law
State versus federal control of corporate law issues 1435–1510

FEMINIST THEORY
Legal theory
Anti-pornography campaign and the politics of post-modern feminism 1067–75, 1092–95
Legal meanings of female bodies 1096–1105
Legal regime incorporates point of view of male, not female, gender 2104–09

Lesbian exclusion from postmodern feminist principles 1084–95
Maternalization and the female body 1059–60
Monogamy, heterosexuality, passivity, and the female body 1062–66
Postmodern feminism defined 1076–83
Postmodern principles and sex-specific rules 1045–48
Prostitution and the sexualization of the female body 1052–59

FIDUCIARY RELATIONSHIPS
Directors
Fiduciary duties of the directors of nonprofit corporations 1590–1612

FIFTH AMENDMENT
Freedoms of speech and press
Public choice theory and freedom of speech 554–83
Right to counsel
Discrete versus relational criminal representation 674–86
Metaphysical reductionism and reinterpretation of the Fifth Amendment 766–69

FINES
In general
Fining directors of nonprofit corporations for fiduciary duty breaches 1607–11

FIRST AMENDMENT
Freedoms of speech and the press
Right of nonprofit corporations to engage in political speech 1656–77

FOURTEENTH AMENDMENT
Due process of law
Procedural due process in punitive damages awards 216–26
In general
Synthesis of Reconstruction Amendments with the original Constitution 1700–19
School desegregation
Termination of public school desegregation decree 266–77

FREEDOM OF EXPRESSION
In general
Nude dancing as constitutionally protected speech 287–97
Right of nonprofit corporations to engage in political speech 1656–77

FREEDOM OF SPEECH
In general
Nude dancing as constitutionally protected speech 287–97
Right of nonprofit corporations to engage in political speech 1656–77
Theory
Public choice theory and the First Amendment 554–83

H

HABEAS CORPUS
Petition requirement
Petition requirement for stay of execution 1807–12
Scope of review
Abuse of the writ — "Cause and Prejudice" applied to filing of subsequent federal petition 319–29
Adequate and independent state grounds doctrine 329–39

HEALTH
In general
Physician-assisted suicide and the right to die 2021–40

HISTORY OF LAW
Jurisprudence
Women's experiences excluded from legal history 2104–09
United States
Laws were written by men for the protection of men, not women 2104–09

I

IMMUNITY
Governmental immunity
Statutory authority under California law to apply doctrine of respondeat superior to public employees 947–52

INCOME TAX
Deduction
Dependent care credit 1319–38
Incentives
Dependent care credit 1329–30
Tax Reform
Dependent care credit 1319–38

INTERNATIONAL LAW
Extraterritorial reach of American statutes
Fifth Amendment due process limits on extraterritorial application of federal statutes 1217–63

J

JUDGES
Expertise
Relative competence of judge and jury in awarding punitive damages 223–26
Review of Rose-Ackerman: Rethinking the Progressive Agenda 1402–07

JUDICIAL REVIEW
In general
Certiorari decisionmaking process 1795–1800
Judicial enforcement of anti-discrimination and constitutional accountability, a grand theory 80–151
Judicial review of punitive damages awards 223–26
Role of courts is to preserve higher law-making by the people 927–34
State courts
Role of courts in reviewing family decisions to terminate treatment of patient in persistent vegetative state 1426–31

JURISPRUDENCE
Constitutional law
Distributive justice analysis of affirmative action 1801–06
Responsibility
Conceptions of self in criminal and tort law 959–1003
Theories of adjudication
Sympathy's structure of adjudication 1961–80

JURY
In general
Relative competence of judge and jury in awarding punitive damages 223–26

JUSTICIABILITY
Due process
Against the due process defense of the justiciability doctrines 651–54
Mootness
As a purely prudential doctrine 654–68
Deconstitutionalizing mootness 612–68
A "public values" model 631–36

L

LABOR LAW
Employment discrimination
Age discrimination against tenured faculty 889–907
Legal regime leads to discrimination against women 2104–09

LAW AND ECONOMICS
Bibliography
Easterbrook and Fischel: The Economic Structure of Corporate Law 1408–13
Ellickson: Order without Law 1141–46
Corporate
Competition between states for corporate charters 1435–1510
Public choice theory
Public choice and the First Amendment 554–83
Taxation
Child care incentives 1333
Tort law
Effects of allowing unreliable damage measurements 1990–93

LAW AND LITERATURE
Poetry
Wallace Stevens' poetry metaphor, and proper legal thinking 745–72
Review of Grey: The Wallace Stevens Case 745–72

LAW ENFORCEMENT
Tort liability
Police officer held vicariously liable for rape committed by on-duty police officer 947–52

LEGAL ETHICS
Conflicts of interest
Codefendants 687–97

LEGAL HISTORY
Choice of law
Development of choice of law theory 1224–27
Constitution
Founding, Reconstruction, and New Deal as big lawmaking 920–28
Covenant actions
Development of the specialty requirement in the 14th century 2001–20
Forms of proof
Wager of law 2001–20

LEGISLATION
In general
Review of Rose-Ackerman: Rethinking the Progressive Agenda 1402–07

M

MEDICINE
Consent to treatment
Right of family to terminate treatment of patient in persistent vegetative state 1426–31

MOOTNESS
Constitution basis
Removing Article III from mootness jurisprudence 636–68

P

PARENT AND CHILD
In general
Formal versus functional approaches to the legal definition of parent 941–46

PHILOSOPHY
Hermeneutics
Sympathy's structuring of judicial interpretation 1961–80

Law and politics
Sympathy's structuring of the law as a conservative social force 1961–80
Pragmatism
Wallace Stevens poetry as a pragmatist manifesto 745–53
Review of Grey: The Wallace Stevens Case 745–72

POLICE
Tort liability
Police department held vicariously liable for rape committed by on-duty police officer 947–52

POLITICAL THEORY
Civic republicanism
Promises and pitfalls of civic republicanism theory 1528–41
Conservatism
Conservative rhetoric (book review) 585–90
Constitutional
Constitutional creation and amendment as higher lawmaking 918–34

POVERTY AND LAW
In general 1319–21; 1326–38
Criticism of fees for bus transportation 68

PRIVACY, RIGHT OF
Right to bodily integrity and intimate relationships
Right to die and physician-assisted suicide 2021–40

PROCEDURE
Appellate courts
Appellate review of law in diversity cases must be de novo 309–19
Civil procedure
Discovery in federal demand-refused derivative litigation 1025–44

PROPERTY
Takings Clause
Arguing for absolute property rights as the surest means of ensuring a harmoniously ordered society 1109–17

R

RACIAL DISCRIMINATION
Peremptory challenges
Racially discriminatory use of peremptory challenges 255–66

RACKETEERING
CCE
Forfeiture of assets 704–07
RICO
Extraterritorial application of civil RICO 1246–49
Extraterritorial application of criminal RICO conspiracy provisions 1297–1369
Forfeiture of assets 704–07

RETROACTIVITY
In general
Application of new rules in civil cases 339–49

S

SECURITIES
Private actions
Applicability of section 12(2) of the 1933 Act to ordinary trading 907–17
Investor protection under rule 10b-5 909–11
Statute of limitations Inferred for 10b-5 actions 399–404, 408

SECURITIES ACTS
Federal Securities Act of 1933
Applicability of section 12(2) to ordinary trading 908–17
Federal Securities Exchange Act of 1934
Statute of limitations for 10b-5 actions 399–409

SECURITIES REGULATION
In general
Manipulation in financial markets 503–53
Private actions
Applicability of section 12(2) of the 1933 Act to ordinary trading 909–17
Section 15 of the 1933 Act 911–14
Statute of limitations inferred in 10b-5 action 399–404, 408

SENTENCING
Federal Sentencing Guidelines
Right to confrontation 1880–99

SEPARATION OF POWERS
In general
Maintaining legislative-judicial colloquy in restricting federal court jurisdiction 615–23
Judicial powers
Role of judiciary is to preserve higher lawmaking by the people 927–34

SEX DISCRIMINATION
Antidiscrimination law
Legal regime fails to address reality of women's experiences 2104–09
Education
Single-sex schools: Equal protection analysis 1741–60
Employment
Fetal protection policies and Title VII 1761–80

SIXTH AMENDMENT
Right to confrontation
Federal Sentencing Guidelines 1887–91
Right to counsel
Discrete versus relational criminal representation 674–86

STATE ACTION
In general
Use of peremptory challenges by private civil litigant as constituting state action 259–66
Thirteenth Amendment
State action requirement for Thirteenth Amendment 1367–85

STATES
State constitutional law
Revisionary effect of constitutional amendment limiting state legislators' terms 953–58

STATUTES
Construction
Construing termination provision in Age Discrimination in Employment Act 892–93
Specific statutes
Age Discrimination in Employment Act 889–907

SUPREME COURT
Bibliography
Perry: Deciding to Decide: Agenda Setting in the Supreme Court 1795–1800
Certiorari
A social scientist's analysis of the cert process (book review) 1795–1800
In general
Critique of Rehnquist Court's approach to judicial review 137–51

T

TAXATION
Exemption
Restrictions imposed by tax laws on the political activity of nonprofit corporations 1656–77
Income
Dependent care credit 1319–21; 1326–38

State taxes
Availability of retroactive relief for payment of unconstitutional state taxes 339–49

TORTS
In general
Arguing against imposing a duty to rescue legally 1117–20
Charitable immunity's development 1679–82
Nonprofit organizations' liability under state laws 1682–89
Strict liability 935–40
Products liability
Products liability law does not cover false statements in a book 1147–49
Punitive damages
Procedural due process in awarding punitive damages 216–26
Respondeat superior
Police department held vicariously liable for rape committed by on-duty police officer 947–52
Sexual assault
Police department held vicariously liable for rape committed by on-duty police officer 947–52
Vicarious liability
Police department held vicariously liable for rape committed by on-duty police officer 947–52

W

WOMEN'S RIGHTS
Employment discrimination
Women's experiences are excluded in hands of present legal regime 2104–09
Feminist theory
Legal regime leads to discrimination against women 2104–09
Rape
Police department held vicariously liable for rape committed by on-duty police officer 947–52
Sexual assault
Police department held vicariously liable for rape committed by on-duty police officer 947–52
Sexual stereotypes
Legal regime bases laws on stereotypes rather than reality 2104–09
Wage discrimination
Women paid less due to discrimination 2104–09
